

Kindergarten Physical Education

Family Overview · Optima Academy Online

150 min per week · ~30 min/day ·
full year

About this overview. This document is an example of how the course might be taught. More topics, activities, and movement challenges are approved for this course than appear here, so scholars may see some variation in topics, activities, and movement challenges from course to course, and between the live school and On-Demand. Each teacher also leans into their own strengths and passions; the structure, expectations, and time commitment below are representative of the course as designed.

ABOUT THIS COURSE

A full-year PE course for Kindergarten at home. Scholars learn to recognize and try the fundamental movement skills, personal vs. general space, and healthy habits called for in Florida's Kindergarten PE standards (5015020) — through short, playful activities a 5-year-old can do in a safe space at home. The course also covers water safety, kindness, and how to ask a trusted adult for help.

THE YEAR AT A GLANCE

1.1 — Welcome to P.E. What PE is and how this course works at home.	~2 weeks
1.2 — Warm-Up & Cool-Down Getting the body ready to move and calming down after.	~2 weeks

1.16 — Goals & Healthy Habits Describing a goal; a personal health habit (breakfast, sleep).	~2 weeks

Capstone & projects. Unit 1.16 closes the year with describing a goal and a personal healthy habit.

A TYPICAL WEEK

- A short lesson page introducing the topic.
- A movement activity scholars try at home.
- A discussion or reflection (and a Flight Club Challenge in some units).
- A short check-for-understanding quiz.

TIME COMMITMENT

150 minutes per week (master schedule)

- Lesson page & video: ~5–10 min/day
- Movement activity at home: ~15–20 min/day
- Reflection or quiz: ~5 min/day

Project and capstone weeks may run longer.

WHAT SCHOLARS NEED

- A safe space to move at home
- Microsoft 365 / OneDrive account
- Microphone for voice-based work
- Reliable internet
- No VR headset required for this course

On-Demand vs. Live. On-Demand (asynchronous): self-paced with due dates for pacing; a teacher is available for support, feedback, and grading.
Live school: live-school scholars take the same course in Optima's VR campus with a teacher and classmates (on the school's weekly PE schedule).
