

# Grade 2 Language Arts

OPTIMA ACADEMY ONLINE · FAMILY COURSE OVERVIEW · GRADE 2 · FULL YEAR

~12½ hrs per week · 150 min/day, M–F

**About this overview.** This document is an example of how the course might be taught. This overview is drawn from the Florida course description and Optima's 2026–27 course plan rather than a fully built course, so scholars may see some variation in texts, activities, and projects from course to course, and between the live school and On-Demand. Each teacher also leans into their own strengths and passions; the structure, expectations, and time commitment below are representative of the course as designed.

In Grade 2 Language Arts, scholars build strong foundational skills in phonics, fluent reading, and the comprehension of literature and informational texts, and they write clearly through narrative, informative, and opinion pieces. Classical grammar and phonics mastery run through the year. Scholars engage with stories and ideas, ask and answer key questions about texts, and communicate their understanding with clarity and confidence.
